

Jeff

JEFF-BLK

JEFF-WHT

The model **JEFF** is a comfortable sandal for men. With a closed toe tip, adapted to the needs of the healthcare professional.

The *Bio Oxy* designs are very comfortable and have a slip resistant sole. The anatomically shaped foot bed provides you additional support when walking. The midsole is composed of a mixture of cork and rubber and ensures good shock absorption. The lining in breathable Coolmax® ensures cool feet and draws perspiration away from the skin. The upper material is high quality synthetic leather that can be easily cleaned with a damp cloth. A certified slip resistant outsole and closed toe tip provides safety and protection.

Jeff

CE-standard
CE EN 20347 certified.

Coolmax®-lining

This material keeps your feet cool and draws perspiration away from the skin.

Easy maintenance

The shoe can easily be cleaned with a damp cloth.

Cork and rubber midsole

Synthetic leather

The outside of the shoe is firm, high end artificial leather.

Anatomical shaped foot bed

The anatomical shaped foot bed provides you additional support during walking.

Slip resistant SRC

The rubber outsole provides excellent grip, both on wet and dry floors and complies with the SRC standard.

Usage

Suitable for people who daily walks or stands for a long time, so recommended for:

- Healthcare professionals
- Nurses and caregivers
- Wellness and beauty center professionals
- Homecare

Do not use to accompany patients into the shower.
